## Product overview: Fluke TL75 Hard Point™ Test Lead Set

## Product overview: Fluke TL75 Hard Point™ Test Lead Set

The Fluke TL75 Hard Point™ Test Leads are a set of comfort grip, PVC-insulated probes. TL75s offer the convenience of a test lead and probe together in one unit with a variety of connections. This set of test leads are recommended for all general-purpose measurements and are compatible with a wide range of Fluke meters and tools.

### Designed for safety

The Fluke TL75 Hard Point™ Test Lead Set is CAT II 1000 V, 10 A rated. When the protective caps are placed on the leads, the ratings jump up to CAT IV 600 V, CAT III 1000 V.

### Compatible with Fluke alligator clips

Expand your measurement capabilities with special adapters to your TL75 set. Add alligator clips or adapters to accomplish

even more:
