## Fluke SB-500 Shaft Voltage Brush Set

### Product overview: Fluke SB-500 Shaft Voltage Brush Set

The Fluke SB-500 Shaft Voltage Brush Set includes three carbon fiber replacement brushes for use with the SVS-500 Shaft Voltage Measurement Kit probe holders. The SVS-500 Measurement Kit helps to make shaft voltage measurements safer, and easier to perform by allowing users to securely mount measurement probes to the motor while testing.
