

TECHNICAL DATA

Fluke i17XX-flex1500/4pk iFlex® Current Clamps

Product overview: Fluke i17XX-flex1500/4pk iFlex® Current Clamps

The Fluke 17XX 12 inch iFlex flexible current probes measure to 1500A AC while providing the ultimate measurement flexibility. The iFlex probes connect directly to the 173X Energy or Power Logger, displaying current measurements without error prone scaling factors. The 1.8 m (6 ft) cord allows separation between the measurement location and the energy logger making it easier to view the display. Fluke 17XX iFlex cables are available in 12, 24, and 36 inch models.
